

Privacy Policy

Security of information shared over the internet:

I process your personal data in line with GDPR legislation (EU) 2016/679. I take all appropriate measures to keep it secure. You can find out more about this legislation from the Information Commission Office (ICO).

I make every effort to ensure that your personal information is held securely and to safeguard against unauthorised access to your personal information. Unfortunately, no data transmission over the Internet can be guaranteed to be 100% secure. I strive to protect your personal information after I have received it, however, please note that the privacy of your communications and personal information can never be completely guaranteed when it is being transmitted over the internet.

Please be aware of this when emailing me any messages and if necessary, keep any personal information for discussion with me at your first appointment, or on the phone number provided. If you would like to see my Privacy Policy, please contact me on my mobile number given.
